Handicaps are 80% of actual handicap, based on par 35 for each 9 holes .

(Example: You shoot 40 first week. $40-35=5 \times 8=4.0$ handicap) You now get a stroke on the 4 most difficult holes you play the next week. (As per the score card)

You play the entire field, not just the opponents you are paired with that week.

Low score on the evening gets 20 points if we have 20 teams, 25 points if we have 25 teams etc. Second low score gets 1 ess.

Each team will be required to pay \$10.00 each week for prize money (whether you play or not) A no show still pays \$10.00.
