

MAYAPPLE GOLF LINKS SENIOR LEAGUE

For the past Twenty years, the Mayapple Senior League has provided a weekly opportunity for golf, fellowship, and fun. The league boasts nearly 200 members and averages approximately 140 golfers per week in a stroke play format. Due to the popularity of the event, Thursday's are considered full for 2018 but we do have openings on Wednesdays for new participants. If Thursday is the only day you can play, feel free to come out and we will try to pair you up with someone. The Senior League season begins March 28/29 and runs through the last Thursday in November. The last Thursday in October is marked as the end of the league, but players can continue to compete to the end of the year. **"Cold weather" golfers are welcome to come any Wednesday or Thursday after the end of October to continue playing, but must call and get a tee time.** Mayapple Golf Links takes a great deal of pride in the success of the Senior League and is dedicated to growing and improving the event.
