Start date: April 15 (we play every Wednesday into September)

Shotgun start: 5:30 p.m.

League format: 4-person scramble (other games occasionally)

You and your partner will be paired with another couple to make up your 4-person team. Groupings change each week. It is not required that you play every week, but we hope that you can play at least once a month.

Mayapple green fee: \$24 per person for 9 holes and cart.

League prize money: Each person puts up \$3 per week for prize money to be awarded at the end of the season. We pay out for 1st, 2nd, and 3rd place, as well as a random "Luck of the Draw" prize and Closest to the Pin each week.
